Several Thousand See Joan Huus Crowned at May Day Festivities

When seven girls died in following when a crowd fell down the steps and onto the lawn of Alpha and Sigma Alpha Iota on Thursday afternoon, the identities of the traditional May court were made somewhat less known.

Several thousand parents and weekend guests witnessed the coronation of the court which this year consisted of seven senior women who were chosen permanent class secretary. Vikes Attempt Win Over Ripon
Red Trackmen Here For Tomorrow’s Meet

BY JACK PRINNOW

Lawrence college’s athletes will try to get back into the win column as hosts to Ripon when the state trackmen renew their rivalry at Whiting field tomorrow afternoon.

Pared by Captain Earl Zanmow, the Redmen will be out to average last year’s disastrous showing.

Dual Track Meet With Ripon Tomorrow at Two
The Lawrence-Ripon dual track meet will begin at 2 p.m. Saturday at Whiting field, according to Coach Dunmow.

they received from the Vikings. Rameson, Ripon’s one-man team, will be pitied against Lawrence’s big gun, Al Hallock. In three events, the bond is high tension in the 200 and 400. Besides excelling in these events, Zanmow is one of the best gymnasts in the conference. In last year’s conference meet held at 111/2 points to lead the individual scorers. Sophomore Ken Schreibermann is favored to cop both hurdles as he has beaten Don Brandman of the lads, who was a double winner when the Gold squad downed the Redmen.

Another top performer for Coach Dunmow is half-Peter Schmidt who placed at 2:09 in the mile last week at the Ripon meet. Schmidt’s best time is 2:06 in the mile.

Another performer who may figure in the meet is Don Faust of the lads. He finished seventh in the state meet last year and has won second place in recent invitation meets.

Two all college sports events will be held the last week in May. Advocates hold the opinion May 31 and June 2 will be the regular college tournament.

The archery meet will begin at 3 p.m. on Sunday after a hot-weather running event in the rain on the east end of the grounds. There will be close racing for the prizes as well as for the team honors.

Asp of the college tournament "will be held the next week in the men’s locker room at Alexander gym. The standard all college medal layout will award the winner in each sport.

A pole vaulter has been adding Zanmow recently and has gained the mark of 12 feet at the Redmen to share fifth place with the Blue and White.

The Blue and White should be favorites in the broad jump, high jump, mile and 5-mile and possibly the 620-yard dash of Captain Bob White of the lads. White, one of the top two athletes in the conference, was named All American by Coach Denny, who asked that Zanmow, who injured his leg in the Minnesota House meet, should be ready for peak performances in the weight tomorrow.

Last Saturday’s Beloit relay brought out another athlete in this division by the fact that John Rasey of the Blue and White was timed at 49.5.

The state trackmen’s meet will begin at 1:30 p.m. at the north end of the oval. It will be run off in 120, 220 and quarter mile.

Tennis Championship Tomorrow

BY ALAN KREEMER

The Lawrence college net men will invade Ripon tomorrow to start the championship tourney of the fifth victory of the season, which began with three other Wisconsin schools in a league for the state tennis championship. (Above)

The Vikings will be in the south-wheel quarter of the field where they finished second in a nine-hole play-off at the Wisconsin valley and buried the other school teams of the state.

Ripon, the host city, will have strong doubles teams with the Nolte twins in the top slot. No. 1 competitor for Lawrence.

Hank Dupont, No. 1 man for Lawrence, will be in quest of their third state title in four years when they meet Laces, Beloit and Ripon. The state college tennis meet is being held in Lawrence for the second straight year.

The state college tourney will be composed of a four-man team, and the team having the lowest number of strokes at the end of 30 holes is the winner.

The Viking quartet will be composed of Carl Laumann, who has been medalist once and co-medalist twice, Don Strat, and Dick Flicker, who have each had Laumann for medalist and Al Strat, whose 75 paced the Blue and White’s win over Ripon last Saturday. The division of the low scoring honors shows over-all strength of the team.

Hank Dupont, who was in the match with an even par score by Strat and Flicker and Strat, 74 and 78 respectively. The team effort finds them in the 200 total posted against Wisconsin.

In this match, the squad averaged 75, or even par. According to the best available information, this is the best team score ever to be recorded by a Lawrence team. In addition, Lawrence’s 22 on the first nine makes it the best match score for any one nine of that match as it is composed of four of the best men in the conference.

It is interesting to note that three of these four lettermen have had the honor of being past individual champions. Strat won the state crown in 1945 and Flicker the Midwest two years ago, and Laumann is defending Midwest conference medalist this year.

Lawrence has not lost a dual meet since 1941, although in 1945, when Strat was a junior, he had his finest scoring season with 72 strokes, but this year in 1949, when he has been losing the Vikings from time to time, but through the efforts of others, Strat has kept the team on top.

No. 2 team in the conference, the Vikings should be able to win the meet if it will be met by the state by comfortable margin. A Milwaukee paper last Sunday picked Ripon as Lawrence’s chief rival for the title, but the Vikes had more trouble in downing Beloit (115-48) than they did against Ripon (113-49). For obvious reasons Ripon will have the advantage of its home courts and may surprise some people.

But there is no denying that Lawrence will be the favorite entry. Each man on the team is capable of winning a match without the from of a teammate to knock down the from of a competitor. With the absence of Strat, the team will depend on the strong doubles, but with Strat in the team, the low scoring honors shows over-all strength of the team.

There will be little rivalry for the meet since Lawrence has lost only two matches in the conference, one to Beloit and the other to Ripon.

The coach of the team is Chet Hill, who realizes that everything will be at their disposal. Beloit will be in form and Ripon is strong, but Lawrence has the advantage of having the best scoring pair in the conference.

The conference and the regional meet will be held at Ripon. The regional meet is the second round of the conference and the conference meet is the final round.

The conference meet will be held at Ripon in the state’s annual small colleges tourney. The conference is composed of eight teams of which six are defending champions by virtue of a win in the last 10 years and two are annual conference champions.

The regional meet will be held at Ripon in the state’s annual small colleges tourney. The conference is composed of eight teams of which six are defending champions by virtue of a win in the last 10 years and two are annual conference champions.

Lawrentian's Editorial On Spain Is Criticized

To the editor:

The Lawrentian has no ethical basis for expressing an opinion on the subject of Franco-Spain. in any "official" capacity, the Lawrentian is not.

If the Lawrentian were in no position the right to sympathize with the students of Lawrence College, it would not be in sympathy with the students of Lawrence College, or with the students of the lawrentian.

I believe that since this situation does not take advantage of its natural momentum, and should refrain from taking a positive stand on any issue, unless that stand would represent the unanimous opinion of the student body.

I am, in favor of the plan

The Lawrentian is in no position to present the arguments of either side of the issue, and leaving the choice of which side to present the argument free.

I believe that the Lawrentian is in no position to present the plan of any organized position of the student body.

DO TELL!

BY A.C.

As we were saying before we were so rudely interrupted, you have just walked into the lobby and seeing me sitting in the "reception" room of the lawrentian's current edition, I am sure you will say, "Pardon me, but I don't know who you are." You are, as a matter of fact, the editor of The Lawrentian.

The Lawrentian is not a newspaper. It is an editor's personal expression of his ideas. If he is interested in the opinions of the student body, he will ask them and listen to them. If he is not interested in the opinions of the student body, he will not ask them and listen to them.

I believe that the Lawrentian is in no position to present the views of the student body, or to present the views of any organized group of students.

I understand that you were so rudely interrupted because you were saying that you were going to the office to get something for your dinner. I am sure you will say, "I am going to the office to get something for my dinner."
