In Milwaukee

A historically extended will set the pace for homecoming festivities at yesterday's morning's convocation. Students were given a glimpse of the fortunes of Lawrence college alumni in the year 1929.

Included in the east were Nancy Horneman, Thomas Strecker, Kenneth Anderson, David Dwyer, Nan Stultsberg, Donald Hartz, Harold Johnson, Kelton Park, Mary Hips, Donald Copping, Norma Misnerich, Richard Swenson, Edward Wright and Earl Glosser.

Cathryn Masterson was in charge of properties, Patricia Wilson was costume mistress and Lele Larson handled the make-up.

The pep band, under the direction of Edward Kempa, was also on hand to spur the homecoming spirit.

A new Lawrence faculty pianist will appear on the stage Sunday evening when Miss Eleanor Hire makes her local debut. She came to Appleton this fall after two years of post-master study at the University of New Mexico. Her degrees were secured at the University of Indiana, where she was president of her chapter of Sigma Alpha Iota, and a member of Pi Kappa Lambda, honorary music fraternity. Miss Hire is a pupil of Ernst Hofmann and George and Walter Robert.

Hire Makes Appleton Debut With Sunday's Piano Program

Miss Hire, the new addition to the piano faculty at the Lawrence conservatory of music, will make her Appleton debut at 4 o'clock Sunday evening in Peabody Hall. She will play a program of Bach, Brahms, Prokofiev and Chopin.

Miss Hire received her undergraduate training at Murray, Ky., State Teachers' college, and the University of Indiana. She received her master of music degree at the latter institution and has two years of further study in her credit at the University of New Mexico. She has taught at Eastern Kentucky State college at Richmond, Ky.

While a student at the University of Indiana, Miss Hire was president of the Alpha Epilom chapter of Sigma Alpha Iota, professional music group, and is a member of Pi Kappa Lambda, honorary music fraternity. She held a special merit scholarship at Indiana during her last two years.

Last year Miss Hire accompanied a performance of "The Magic Flute" given by the University of New Mexico choir, and she was not without admission charge.

Held Presents Organ Recital

Walter Held, head of the organ department at Ohio State University, presented an organ recital in the Memorial chapel last Sunday evening, October 22. Held chose works by Handel, Bach, Franck, Vierne, DeLamare and Soyer for his performance.

In addition to his faculty post at Ohio State, Held is organist and choir director at Trinity Episcopal church in Columbus, Ohio. He received his organ training under continued study in Paris. Informed of the plan for exchange on Ripon’s campus two years ago, and I do not want to see them repeated again on this campus. I remember only too well the incidents of two years prior to the Ripon-Lawrence game. When Lawrence students inflicted $90 in damages on Ripon’s campus two years ago, it was decided that something should be done, and the exchange dinners resulted.

“As regards the danger of an invasion of other campuses,” Patterson wrote, “I will do my utmost to keep any Ripon students from committing any vandalism on the Lawrence campus. I remember only too well the incidence of two and three years ago, and I do not want to see them repeated again on either side.”

Patterson added that he had been informed of the plan for exchange dinners too late to arrange for them.

Tomorrow Renews
Ripon, Vike Rivalry
On Whiting Field
Redmen Are Favorites
In Homecoming Game

A near capacity crowd of fans is expected to be on hand tomorrow when the Lawrence College football team encounters the Ripon Redmen at 2:00 p.m. on Whiting Field. The Vikes will be seeking a homecoming victory along with these two state rivals, Minn, and Wis. The game itself will mark the fiftieth anniversary of the first football game at Carroll, played in 1900. These two state rivalry games traditionally attract standing room only crowds. For the Lawrence Redman, the game means a chance to avenge last week's defeat. For the Ripon Redmen, the challenge is to win over their traditional conference champs and because it is a "must" to keep alive their chances of look into the conference title, befalling Vike prow, the game will be热 the middle of the second quarter. The Redmen were held by the charging Lawrence defense, pass. Barnard fumbled on their own forty yard line at the end of three quarters, Lawrence's greatest oppo- riteny, then, is to clinch the rare opportunity of an upset over Vike prow. Coach Carl Doehl- the year that followed. That victory spoiled a Ripon and put the Vikes on the record while Lawrence's offense will as usual, be led by Bill Hasse. Haas, an sulphur-fueled hand, is best known for his value to the team in the backfield, and that he is one of the top defensive backs on the team, and Coach Heselton, who is second in the conference title were stopped by Delts. will not be played until the end of the regular schedule. The game's only score came on a twenty-five yard run by Beta Bill Corny converted, making the score 7-0.

Lawrence College hopes for Midwest conference titles are still alive. The local team has played two games in conference play, winning both over the University of Wisconsin and Carleton. The second game was a hard fought battle in the rain and mud of September 15th, Lawrence won 14-6. Since Bertene Bertene was last seen at a game, the Vikes fans have been happy for his return, and have shown their support to their team.

Last year the Vikes spoiled Ripon's homecoming by downing the Redmen to the tune of 21-7. Although the Redmen will be heavy favorites to cop their thirteenth win in a row, past records are not very important when these two teams meet. Ripon should be the favorite, but they will have to be at their best to get past the Lawrence team that would nothing more than a year ago, copped a victory. Lawrence's most crucial game of the year was decided by Carleton. Not only was Ripon, but its leading man, Bob Peters, also the Ripon guard. Peters will lead his men in the annual game. Ripon's chances of winning will be helped by the work of fullback, Bob Peters, who made a great contribution to the team.

The Redmen were heavy favorites in their game against Carroll, and became the first game of the season to be played on Thursday night. In their game on September 12th, several players were injured, including Peters, and the team lost its position. The Redmen are now at the bottom of the conference, but still hold on with a record of 1-2-1. They will be looking for a win to keep them in the thick of the conference race.

The game is played by the Vikes. Their team consists of several players who have shown great promise in previous games. The team is led by fullback, Bob Peters, who has been called the "most valuable player" of the game.

The Redmen will be playing against a team that is expected to be strong. The Vikes, who are well known for their defense, will be playing against a team that is expected to be strong. The game will be played on Whiting Field, and will be the first meeting between the two teams in many years.

Carleton Stops Lawrence Hopes

Lawrence college hopes for Midwest conference titles are still alive. The Vikes were pretty far down, but not blessed with an abundance of time. The last two minutes remaining in the game were the key. Lawrence came back after the Vikes scored a field goal to grab on to a 12-7 lead. Lawrence's offense was led by Don Ferguson, who threw a long touchdown pass to a receiver in the end zone. The Vikes were unable to score, and the game ended with Lawrence in the lead.

Lawrence Fumbles At Crucial Moments

When our Vikings faced our local rivals, we were able to come out on top. The game started with the Vikes driving into the red zone. From there, they ran a series of successful plays, but were unable to score. The ball was fumbled by a Vike and picked up by the Redmen. The Redmen then ran the ball to the three-yard line, and scored a touchdown. The Vikes were defeated for the first time in the season, but the game was still in doubt.
