George Oetting and Ralph Tippett, candidates for student body president, talked over policies, programs and platform points before the student body yesterday at convocation. Elmer Pfefferkorn introduced Oetting and Sue Matthews presented Tippett. Other campaign slogans were in the foreground today and Sunday and election will take place Monday, March 2 from 8:00 a.m. to 4:00 p.m. in Main hall. The candidates will assume office at the Student Senate meeting that evening.

World’s Best Actors
Have Played ‘Othello’

Lawrence Cast to
Stage Shakespearean
Great March 5, 6, 7

One of the most famous tragic roles in dramatic literature might be enacted when the Lawrence college theater presents ‘Othello’ by William Shakespeare on the stage of Memorial chapel the evening of March 5, 6 and 7.

Some of the most celebrated actors in the world have played the title role and it is considered by many that the part was created by Shakespeare himself when he worked into the role of ‘Othello’ by playing the parts of Iago, Desdemona and Emilia. Robert Sonkowsky has been cast as the character of Desdemona in the title role. John Tippett has been assigned to play the role of Iago and Joseph Ferrer as Othello. The play is the only Shakespearean work to have been made into a successful opera, when Queen Victoria provided a music-lover. It is in the regular repertoire of many of the world’s opera houses.

According to some Shakespeare authorities, Othello is the most masterful of his tragedies from the standpoint of construction as well as being painfully exact. If this is the case it would be one of the masterpieces of all time.

‘Operation Blood Drop’ May Become Annual Event

The 106 fraternity pledges and seven sorority activists who participated in ‘Operation Blood Drop’ concluded their salad campaign after collecting a total of 1,112 pledges for blood donation. Four hundred nine pledges were donated on the first day of the drive and 700 pledges were pledged on the final four days.

Talbot Peterson, chairman of the Appleton Red Cross blood drive committee, said, ‘We’re overwhelmed at the jobs these young men have done.

The operation, which was dedicated in some of the most traditional ‘sell blood’ activities, may become an annual event. Cars, supplied and driven by five Appleton car dealers, transported the men to their wards. The project was under the direction of Talbot Peterson. John P. Renari and Al Zuppi, all former Lawrence students, have been assigned to the role of Desdemona, the minister of Iago and the minister of Emilia. They are elected at large from the student body at a general election and serve in both the committee and SEC. He would be the connecting link. He would bring major problems to the attention of the Senate. This committee, said Oetting, would serve for one year or until the following election. Nothing-no nothing-beats better taste
and LUCKIES
TASTE BETTER!
Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?
You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better-cleaner, fresher, smoother.
Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco.

So, for the thing you want most in a cigarette... for better taste... for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy—GO LUCKY!

Cupid at Work Despite Snow; Election Time Near

By JINGO

It's almost too late to pick up your tickets for the play, unless you happen to be one of the last of the balcony. That time of year is here again — early this year, but none the less here. What makes it of the biggest success stories students to find out is that the snow through snow instead of mud as they boast their favorite candidates. It's a lot of the thing that counts — and shows how kind the support of the candidate can expect in receipt of election.

Quality of the week. How can a group be condemned for refusing to take responsibility when they have never been given the opportu-

"Operation Blood-drop." Projects like this can do a great deal to drain more blood and make the real thing more interesting. We're still looking for a dry and a real one.

3 Scholarships To be Awarded By Conservatory

The Lawrence Conservatory of Music will award three scholarships to high school seniors of exceptional ability who are successful in their entrance audition on March 7.

Candidates may be in the fields of voice, piano, organ, violin, cello and all wind instruments. Each applicant for the scholarship must play two solo numbers of his own choosing.

The first prize of a $300 scholarship, second prize is a $200 scholarship and third prize is a $50 scholarship. Judges will be members of the Lawrence faculty and all auditions will be given in Appleton.

Although the award of prizes will be based upon the performance presented, due consideration will be given to high school scholastic records, aptitude for college work, general musical background and the probability of success in the conservatory’s chosen field.

All prizes will be awarded to the high schools according to the winners of the Lawrence Conservatory of Music for the 1952-1953 school year.
Match at Ripon to End Vike Dual Competition

A Lawrence college wrestling team from which has but one loss this season will close its 1953 dual competition tomorrow against an old rival, Ripon. The match will be held at Ripon.

Coach Bruno Holwer's grapplers already hold one victory over the Redmen. The student body fact the Vikes had gone through seven straight matches without a loss before beating Marquette university, 14-11, last Saturday.

Lawrence, going into the Marquette match as heavy underdogs, almost sprung an upset. As usual, the Vikes were strong in the light weights, but lost out in the heavier divisions.

The Vikings tremendous trio of

Kemp, Rausch, and Jerry Weyers wrestled the opening three weight divisions by pulling their Marquettes through.

Webers fought to a draw in his 112-pound decision.

Dick Olson, fought to a draw in the 123-pound match, Marquette'sappiness in the fourth weight class, 117-pound match. For a while it looked as though the Vikes were well on their way.

Bill Bohnsack was pinned by Hal Emsney, Milwaukee's outstanding wrestler who has won 15 straight matches. This gave Marquette its first victory of the meet.

Then, in the afternoon's best match, Kent Hanson, who had not lost in dual this season, dropped a very close decision to Barney Karpfinger of Marquette. Karpfinger was also undefeated this season.

Lawrence lost the last two matches with them the fight when Pete Zebel was pinned in the 177-pound weight class and George Osterby dropped a decision in the heavyweight class.

123-Pounds — Big Tylor, Lawrence, win.
132-Pounds — K. Rausch, Lawrence, win.
145-Pounds — J. Webers, Lawrence, outdecisioned Don Kevin.
165-Pounds — Petz, Marquette, win.

Lawrence College women's basketball team, strengthened by two student rinks and one faculty rink.

The second annual bonspiel between the University of Wisconsin and Lawrence will be held Saturday afternoon, Feb. 28, at the University of Wisconsin court.

Members of the faculty and students may attend the bonspiel.

Drawing a head on a target is Milo Swanson, high scorer on the Lawrence college rifle team. Watching are James Schick, left, and Major Roy Soucy, who coaches the team.

The Viking basketball team will meet Grinnell in its last home game of the season Friday afternoon.

The game will start at 30'clock. The Institute has dropped its entire SEC slate.

The Viking Cagers will be the same as it has been during the entire season. Myers and Sal Cianciola and Dick Gast will be at the guards. The game will start at 30'clock. The two teams have a 2-0 record and will win this game. The Grinnell basketball team is in strong contention for second place at this time. At Lawrence they were defeated 85-53 following a game between the freshmen and one of the freshman teams.

Grinnell is in strong contention for second place at this time. At Lawrence they were defeated 85-53 following a game between the freshmen and one of the freshman teams.

Grinnell's biggest scoring ace is Thomas Oles (No. 1), who earlier in the year scored 177 points in a single game. His nearest scoring peer is Moe, who was averaging 15.4 points per game earlier in the season.

This "B" business will present another problem for Major Roy Soucy, Lawrence basketball coach. It seems that Winter has been a very close decision to Barney Karpfinger of Marquette. Karpfinger was also undefeated this season.

Vikes Lose to League Leading Carls, 88-71

Highest Scorer for Vikes was Grosse

Last Friday night the Vikes fought the league leading Carls from Carleton College. The Vikes were on the wrong end of a 88-71 score. It was the Carls' seventh league win against two defeats.

The game gave Lawrence its league win against two defeats. A single tournament, a doubles tournament and a mixed doubles tournament will start on April 13 and will end on April 16.

The Carls' team was that there; wasn't any sharp delineation between several members of the team. When one man seemed to bust up a few of ting, Ken Parker, too.

Dick Gast, too. Dick Gast, too. Last year Harry Sisson was the highest scorer for this tournament. Dick Gast, too. The tournament will get under way. This will be an all day affair and it promises to be red hot this year.

The clincher on the all college intramural tournaments will be a three-day tournament. This will be a three-day tournament and it will begin on May 16, and it will end on May 18.

Last year's winners were: Dick Gast, Bob Ward and Marc Powell. Ward is the only competitor that must not have won a letter in all college sport. This is the only restriction. Entries will be taken for a particular sport up to two days before the start of play. This sport is

practically brand new at Lawrence and for its continuance it is hoped there will be several entries.

There will be three divisions in the bowling tourney. A singles tournament, a doubles tournament and a mixed doubles tournament.

Bowling will start March 16. There is a need for men in every weight class. Last year's winners were: Dick Gast, Bob Ward and Marc Powell. Dick Gast, too. Dick Gast, too. Dick Gast, too.

The tournament will be re-

founded on the basis that they played varsity some time last year.

To be eligible for the tournament you must not have won a letter in any varsity sport comparable to the one college sport. This is the only restriction. Entries will be taken for a particular sport up to two days before the start of play.

Any college student may enter. The complexion of the next tournament is in order. Only a few men at this tournament are signed up for this tournament. And if it starts on March 12 and it will end on March 17 there will be a singles tournament.

But of course each team has its own high point man and a Conference champion. And it is the Alexander gym last Friday night. BY DON MATHESON

Two years ago Morty Board raised funds in an effort to promote LAWRA, the student body election. The result is an annual musical production which now is held in the College of Lawrentian's annual production. The event is an opportunity for students to participate in the arts, and for the public to enjoy a variety of talents.

The production

The production is organized by the Lawrentian office and is directed by John Kunkel until Tuesday, March 10. The vacancy was created by the resignation of the previous director, Bob Sneed, who had served in the role since 1951.

Applications are also being accepted for the position of Lawrentian Editor. Applications should be submitted to the office of the Lawrentian, c/o John Kunkel.

The production will be held March 8 and 9. The show will be titled "A Real Potest," and will feature a variety of musical numbers, including a solo performance by Bob Sneed.

The Lawrentian

The Lawrentian office is currently seeking new members to help with the production. Interested students should contact John Kunkel for more information.

letter to the editor

Dear Editor:

Regarding the recent student government election, I would like to express my concern about the voting procedure.

The voting process was flawed, and I consider it to be a breach of trust. The residents of this campus spend a lot of effort to ensure that the student government operates fairly and transparently. I believe that the current system is failing to meet these standards.

Sincerely,

Student Upholds Student Policy

Dear Editor:

As a student, I uphold the student policies that are in place to ensure a safe and respectful environment for all students. Recently, I have observed instances of rule violations, and I believe that it is important to address these issues.

I would like to suggest implementing stricter penalties for rule violators, as well as increasing awareness of the policies and their consequences. These actions would help to maintain a strong sense of community and uphold the principles that we hold dear.

Sincerely,

On Open Letter

Since some students have expressed concerns about the student body election, I would like to offer my perspective.

I believe that the election process is flawed, and that the results may not accurately reflect the wishes of the student body. I urge the student government to consider implementing changes to ensure fair and transparent voting.

Sincerely,
