**Boston Paper Says He Was Interviewed as 'Possible' Appointee**

The Boston Globe reported today that Dr. A. L. Pusey, president of Harvard College until 1945, was recently named United States commissioner to Canada. Dr. Pusey, who recently was named United States commissioner to Canada, is a member of the Harvard University faculty. He also served at Harvard in various capacities, including assistant director of the Harvard Art Center Library. He is chairman of the commission on liberal education for the nation and has been a member of the board of directors of the National Endowment for the Arts. He is past president of the Association of American Universities and has served as president of the Wisconsin Alumni Research Foundation. He is past president of the Association of American Universities and has served as president of the Wisconsin Alumni Research Foundation.

The Globe reported that Dr. Pusey, along with others, was interviewed by the Harvard Corporation as a possible appointee to the Harvard Corporation. The interview was conducted by the Harvard Corporation, which is responsible for the selection of the next president of Harvard University.

**Officers Elected by Campus Club**

Campus club recently selected officers for the 1953-54 school year. The new officers are: W. E. Furber, president; Dickey, vice-president; Mrs. John Meaden, secretary-treasurer; and Mrs. Stephen Ford, secretary-treasurer.

**VOL. 72, NO. 28 LAWRENCE COLLEGE, APPLETON, WIS.**

**Ariel ‘In Which Pooh Goes To College’ to be Distributed**

'The Lawrence' is a newsletter produced by students at Lawrence College. It contains news and information about campus events and activities. The newsletter is published weekly and is distributed to students, faculty, and staff. The current issue features an article about the Ariel play, which is being performed on campus. The play is called 'In Which Pooh Goes To College' and is a musical based on the books by A.A. Milne.

**Spanish Music Program to be Given Sunday**

The Lawrence College Art Association will present a Spanish music program on Sunday, May 24, in the Main lounge of the Union. The program will feature works by various Spanish composers, including Manuel de Falla and Federico Mompou.

**Vernissage’ May 27 Will Open Exhibition of Student Art Work**

The seventh annual exhibition of student art work will be on display on Wednesday, May 27, at the Warrick Art Center. The opening ceremony will take place at 8 p.m., followed by a reception at 9 p.m. The exhibition will run through May 30. In addition to the students' artwork, the gallery will feature works by professional artists. The exhibition is free and open to the public.

**Six Lawrence Beauty Queens are Named**

Six beauty queens were chosen last Saturday evening at the annual 'Tour of Duty' by an all-college all-male vote. The winners were Miss Barbara Fioreg, Miss Betty Guerrin, Miss Patsy Guerin, Miss Joan Zamboni, Miss Sally Tran, and Miss Louisa Tran. The beauty queens are selected by the students and are responsible for the titles of beauty queen for both plays.
ROTC Students

To Train at
Summer Camp

A month of summer camp has been assigned to 400 ROTC students as an adjunct to their classroom training.

Assigning to the first training period, beginning June 22 at Randolph Air Force Base in Texas, were Merrill Anderson, Peyton Barkley, Donald Carlsen, Ted Gilmore, James Kapitzke, Charles Morris, Gerald Mortell, Eugene Patrick, Ronald Thompson, Jerald Van Dusen, Jerome Semborski, James Timothy, Herbert Voss, Donald Zinn, George Ben Howard Boo, Fred Hrunsdel, John Jesus, Marshall Pepp, Dan Sprich, Ward Young, Walter Russell, Tom Elsken, George Beding, Kendall Parker, Byron Pratte, Roland Vogel and James Hord.

Emblem in the second summer camp to begin July 20 at Scott Air Force Base in Illinois are Royal Hopkins, Thomas Burkhardt and Richard Calaider.

The Lawrence group is among 30 AF ROTC students as an adjunct to their classroom training, Air crew and missile operators.

Cub Cadets will cover 112 hour training program. Air crew and aircraft identification training long will occupy more of this time, booklet of instruction with training skills, and exercise of command running a close second.

Kost inspection in various phases of an aircraft, a craft and navigation, traffic control and flight planning are some of the aspects cadets will be trained in.

Cadets will be credited in command positions as much as possible during the 6-week period as a part of the ROTC program and drill phases of the operation.

Eight Students to Present Vocal Selections at Recital May 25

Eight students will present a voice recital at 8:15 Monday evening, May 16, at the conservatory. The students are Kathryn Ellis, Beverly Doeringfeld, Evelyn Waddell, Betty Leizinger, Nance Van Ren and June Zacharias, sopranos; Rosemary Freeman, mezzo-soprano; and Phyllis Thompson, contralto.

An accompaniment will be given Karl Wang, Donna Breeger and Beverly Bannman.

Opportunities for Graduates Open in Different Fields

Meteorology

College seniors, both men and women, may apply for direct admissions in the United States Air Force Reserve and assignment

to basic meteorology grad

ning programs in the AFSC in September, according to an announcement released from Maj. Gen. W. O. Senter, Commanding General of the USAF Air Weather Service.

Qualified graduates, who must have received credit for one year of college physics and mathematics through advanced calculus may receive complete application

Radiologic Physics

Lawrence college seniors majoring in chemistry, physics or mathematics are eligible for Atomic Energy Commission-sponsored graduate fellowships in radiologic physics for the 1954-55 school year.
Students and Faculty Plan European Trips

Twenty-five Lawrence faculty members and students will be led by Miss Shirley Hanson, instructor in French, who has organized Grist, Sylvia Tipfet, and Helen Reynolds, Elizabeth Taylor. Lou and three former Lawrentians. 

Scholarships

A total of eight scholarships in the summer school and four additional scholarships in the summer school will be available for study at the University of Oslo from June 27 to August 8, 1953. The school is open to students who have been admitted to at least two full-time courses in any accredited college or university. The Institute for English-speaking Teachers will be a special feature of the 1953 season.

The number of partial and full scholarships available is limited to 12 students, and the application deadline is May 15. All interested students are encouraged to submit their applications as soon as possible.

College Students Prefer Luckies in Nation-wide Survey

The nation-wide survey conducted by the American Tobacco Company revealed that college students prefer Luckies over any other cigarette brand. A large majority of the respondents, 98%, stated that Luckies are the best tasting and most satisfying cigarette available. The survey also showed that Luckies are preferred by students in all fields of study, including engineering, science, and humanities.

The survey was conducted by a team of professional researchers who interviewed a representative sample of college students across the United States. The findings were analyzed using advanced statistical methods to ensure accuracy and validity.

Cleaner, Fresher, Smoother

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better - cleaner, fresher, smoother! Why? Luckies are made of fine tobacco.

Be Happy - GO LUCKY!
By Jingo

Water likes to all concerned for a fine prom. Those who can remember have a good time before and or afterward, too. What’s the rumor we hear about escalators on the river bank? Sounds like a great idea, conserving energy for finals and other worthy endeavors.

It’s been a long time since we had so many Greeks waxing eloquent, poetically, especially at the same time. It’s a sure sign of spring, tho’ we’ve had a few other hints too. Those bugs seem to be thriving.

Rev. Alton to be Phi Tau Advisor

The Rev. Ralph Taylor Alton, pastor of the First Methodist Church of Appleton, has been selected as advisor to Phi Kappa Tau for the coming year. The Rev. Dr. Alton succeeds Robert Peterson, lecturer in architecture, who will leave in June.

Kappa Alpha Theta Has Spring Picnic; Awards, Gifts are Presented

Active members of Kappa Alpha Theta were presented with a gift from the alumnae when the Fox Valley alumnae chapter held its annual spring picnic at the home of Mrs. William Siekman last Monday evening.

Rev. Alton

Tom Reilly, a member of Alpha Delta Phi, won the annual spring formal's tomorrow evening May 23. Phi Theta were presented with a plaque and a basket of flowers and gifts.

NEW DG Pledged

Barbara McDonald, freshman, was given a check to Delta Gamma security.

Six are Named to Membership
On Lawrentian Editorial Board

Six new additions to the Lawrentian Editorial board have brought the total membership to 13 members, according to John Runkel, editor-in-chief. Those recently appointed are Libby Goldston, Doug Hagen and Ann Shaf-fer, freshmen; Sue LaRose and Dirk Gast, sophomores; and Dave Kopplin, junior.

Miss Goldston, a member of Pi Beta Phi, served her sorority as pledge pan-hellenic representative and was chosen president of the group in its first year of operation.

Ragen recently received the L Club award as the outstanding freshman athlete. He is a mem-ber of Beta Theta Pi, receives numerals in cross country, track and basketball and is a Pte. in the AFROTC.

Elected to Sigma
Miss Shaffer, a pledge of Kappa Delta, was recently elected to Sigma after receiving high honors. She served as independent women's representative to the WEA, Omrxiy SEC representative and plays in the Lawrence symphony band.

Miss LaRose is now managing editor of the Lawrentian. She has served Delta Gamma as publicity chairman and will be their co-rushing chairman in 1953-54. She was recently elected to Pi Sigma and has been an ROTC Squad-ron sponsor in 1952 and 1953.

Dr. Carl Mattson, chosen an honorary member, and Barbara Emley. In the lower photo the new electees of Mace are, left to right, John Runkel, George Catting, Mary Luckkin, Dr. Carl J. Waterman, chosen an honorary member, Bob Sneed, Elmer Pfefferkorn and Bud Bis-sell. The remaining electee, Ralph Tippet, was observed at the Midwest conference tennis meet.

The above pictured junior men and women were honored for their outstanding scholarship, leadership and service when they were topped by Mace and Mortar Board at the annual spring tapping ceremony last week. In the top picture the new members of Alpha Tau chapter of Mortar Board are, standing from the left, Margaret Hoyer, Barbara Zirke, June Critsen and Peggy Link. Seated in the same order are Jean Curtis, Miss Edith

Nine Men Go To
Monmouth for
Fri. Sat. Meet

This Friday and Saturday the Lawrence track team will make a journey to Monmouth, Illinois, to meet the nine Midwest Conference schools in the first annual Midwest Conference track meet. This is a first for Lawrence, as the conference record of 1953.

Expect Close Contest

Performances at the spring track meets that will be closely contested. Probably the one that appears the "sure thing" is a win by Terry Ellis of Grinnell in the shot put. Present holders of the conference record of 22' 2" made last year. Ellis has already done 21' 7" this season. Although Lawrence is rated in the top three or possibly a fifth, there is no certainty of this at all. At any rate, the conference has done this.

Another outstanding event will be the championship in the discus. His best this spring is 127', which is a feet farther than anybody else in the conference has done this.

The annual interfraternity golf tournament will be held this afternoon at the Appleton Municipal course. The interfraternity team will send four men. This event is being sponsored by the Oak Campus G.A.A. and all four men play as individuals.

The summary:

1. Tom Opheim, Lawrence, defeated Tom Roberts, Lawrence, 6-0, 6-3, 6-0, 5-7, 6-0.
2. Ron Myers, Lawrence, defeated Tom Grinnell, 6-0, 6-1, 6-3, 6-4.
3. John Blixt, Lawrence, defeated Carl Corwin, 6-0, 6-1, 6-4.
4. Pat Plunkett, Lawrence, defeated Carl Corwin, 6-4, 7-5.

Carleton Ruml last year's runner up, has the team total, out on top. They defeated teams 20 to 18 to 16 respectively. The other teams scored as follows: Carleton last year's runner up, 13; Monmouth 4; and Coe 2. Each team entered four men in the tournament and all four men played singles. No doubles were played. The singles part of the tournament was over before their appointed time came. First, second, and third were decided. No team was eliminated from the tourney. Lawrence defeated Ripon in the first match and Ripon in the second. Lawrence defeated Grinnell in the final match against Carleton. Carleton, Grinnell, and Carleton defeated Grinnell.

Midwest Conference Meet Held at Grinnell

The Viking tennis team tuned up for its Midwest conference last week by defeating Ripon 9-0 on the Lawrence courts.

It was Lawrence's first outright win after losing the opening match of the season to Wisconsin-Milwaukee. The Vikings dropped only two sets and won 9-0 over Grinnell, last year's tennis champ, and scored 7-4 over Carleton, last year's runner-up.

Nine Vikes to Compete

The team from Lawrence that will compete are: Dick Hudson, Bob Wrachmin, Tom Dippel, Don Capoccia, the high and low hurdlers, and some other individuals.

The meet will be held this afternoon and tonight. The first division doubles monkeys Myers and Timperga while Timperga and Myser will be the first division singles.

The men will return to the first division singles against Olen of Grinnell, according to conference rules, to compete in the 2-day meet. Coach Forrest "Frothy" Sorensen picked Ralph Tipton, Ron Myers, Dick Gust and Ed Grosze to represent Lawrence. From left to right are Coach Sorensen, Manager Rollie Vogel, Gust, Tipton, Myers, Dick Olson, Elmer Pfefferkorn, and Grosze.

Shades of Night Close in Upon
53 Lawrence Thompson Season

Last Saturday brought the
difficulties of the 1953 Lawrence College track season. The season ended in fine style with a victory for the Vikings over Ripon.

The Vikings started their way to a victory with an impressive 217 to 187 in the 100 yard dash.

The Vikings took first places and eight second places to amass the points for their 190-20 victory. The Vikings made things even better, Bob Zimmermann took the mile run and the mile and half run speedo Notaras, who took a second in the mile run.

Bob Zimmermann was multitalented in the shot put; George Oetting who took a third in the shot put; Peterson.

Second in the 440 yard run; Unterberg, Cappelle, Jones and Peterson. Don Cappelle who took a second in the high hurdles and in the low hurdles.

Don Cappelle took second in the mile run and in the 880 yard run.

Takes Three Tires

Sal Cassidala turned in quite an impressive hit by taking a first in the 100 yard dash, a first in the Broad jump, and a tie for first in the high jump.

Dick Hedde was multitalented in the triple jump as he not only kicked in the triple jump in the triple vault, but he was well enough to take a first in the javelin. It is hoped that Hedde will do well in the conference meet today and tomorrow.

Other Lawrence men who did well were Bob Zimmermann in the 80 yard dash and in the high hurdles.

The meet was staged at the high school and the high hurdles.

Crowd took a second in the 220 yard run; Buedin who took a second in the shot put; George Oetting was convicted and made a steal in the shot put; Harry Clark who took a third in the pole vault.

The summary:

from the editorial board

false advertising?

One of the selling points of Lawrence College, at least as far as students are concerned, is in the AFROTC program. This program, according to literature made available to prospective students, offers a chance to get out of the black school and enter college. It is now five years since Lawrence sent off its first students to AFROTC. The program began with a need for the school to keep in school those students who otherwise might have left. It is now five years since the last two students in Lawrence.

From the editorial board

thank you ...

In a privately endowed Liberal Arts college, such as Lawrence, the student body is governed wholly by the students' election. This deficit must be made up by contributions through endowment. Lawrence has been particularly fortunate in having an interested and able Alumni Association. This year the $300,000 contributions, totaling $27,920,000, have been received. For the second year, the Alumni Association has sponsored the endowment遐tions will be made. Lawrence is also fortunate to have another group helping her. This group is a group of people in the surrounding area known as the Friends of Lawrence. They have been operating the endowment fund.

The industries included in Lawrence have contributed $44,000 toward the 1933 operating budget while gifts for scholarships and building purposes have totaled $39,010.

We as students at Lawrence can take examples from those people who are devoted to the Liberal Arts ideal and should re-examine the policies of their institutions. As free as students are to change the policies of their institution, so they are free to re-examine and evaluate the policies of others.

in explanation...

The two letters appearing on the editorial page of this week's Lawrenceian are of interest to Beloit College students. Each deals with the problem of whether the Beloit student government can include Beloit College in a Midwest Conference. It seems necessary to reproduce in this paper, that approval for such a group must be taken at the Midwest conference of college Presidents.

The vote of the Carleton faculty was unanimous on this point and the Midwest Conference is off on another rat race, led by the Liberal Arts ideal and should re-examine of line and cannot be recognized by the group. It remains to be seen if the liberals of the Midwest Conference can be done through any other means. The schools that have been ignored in the Midwest Conference are those that have been doing well in their athletic activities. It remains to be seen if the Midwest Conference can be done through any other means. The schools that have been ignored in the Midwest Conference are those that have been doing well in their athletic activities.

...and reply

It is shocking to realize that any Carleton student should make such an unwarranted and disrespectful attack on anyone as Harry Schumacher. It is not easy to deny that Schumacher is a splendid athlete. The third and greatest mistake is that he is not an athletic director. The third and greatest mistake is that he is not an athletic director.

a young woman's fancy

The literary in Lawrence College is off on another rat race, led by the Liberal Arts ideal and should re-examine of line and cannot be recognized by the group. from your president

There are thirty five Lawrence College students who realize the difficulties he might have in retaining a deferred education without interruption. It is only fair that the new students who have been admitted to the Advanced Program (third and fourth year) should be able to compete on a level with others who have been told that their cars will be retained in the student group. We are in complete agreement with the determination of the Midwest Conference that the present situation is to be continued. We are in complete agreement with the determination of the Midwest Conference that the present situation is to be continued. We are in complete agreement with the determination of the Midwest Conference that the present situation is to be continued.

"I don't care how the Greeks did it, Fernsted, go put on a suit!"

four students send an open letter to the administration
