Muriel E. Holle to be Featured Soloist at Symphony Concert

The Lawrence symphony orchestra, conducted by Kenneth Hopkins, will present its first spring concert of the season on Nov. 23, it was announced this week. Mrs. Muriel E. Holle will be the featured soloist with the 55 member orchestra.

"This year, rehearsals are being held in Memorial chapel," said Hopkins. "I try to point out, "which increases both the efficiency and the effectiveness of the rehearsals."

Open to Everyone

The first aid of the orchestra program is to give interesting painting of the United States, Europe, and South America with the Vienna Conservatory of music. The quartet, with the United States, Europe, and South America with the Vienna Conservatory of music. The quartet, associated with the University of Wisconsin since 1940, annually makes nation wide tours, including appearances among leading colleges and universities.

The orchestra also aims at pre

Dietrich Speaks at AA Event

The 1953-54 Lawrence Art Association series opens this week with a lecture-demonstration given by E. Ford P. Dietrich, artist in residence at the University of Wisconsin-Milwaukee, and a contemporary furniture exhibit.

Shaded Glass

Shaded for February is an exhibit of hand-crafted stained glass in the Frederick studio, Waukesha, Wisconsin. Students by Juokes also will be in a display entitled "The Colors From the Studio."

Monday, March 4

Don Cosssack Chorus

To Sing in Menasha

The Don Cosssack chorus and orchestra will give a recital at a concert to be held Tuesday evening, April 18, in the Neenah high school auditorium. The concert program will feature a number of Mendelssohnian pieces of chamber music that will be directed by the Neenah Junior Chamber of Commerce.

The annual show of artists from Appleton and vicinity will be held at the Art Center. The annual show of artists from Appleton and vicinity will be held at the Art Center.

Students interested in working on a crew for the Lawrence symphony orchestra will be given the opportunity to audition for the roles of principal parts. Auditions will be held on Thursday, March 6, at 8:30 p.m., in the Lawrence College auditorium. The audition will be open to all students, men and women, and the members of the orchestra will be present to hear the auditions.

Maurice Brown Former Lawrence Prize Student

Maurice F. Brown, instructor in English, is one of Lawrence's prime students of several years ago. Since his departure, Brown has obtained his M.A. from Harvard and has served as an editor of the Harvard Law Review. His editorship was to establish the foundation for his future career in literature. Under such literary names as Howard Mumford Jones, B. J. Whiting, and Perry Miller, Brown has contributed to various literary publications.

In addition to his academic achievements, Brown has been designated as a representative of TIME and LIFE magazines on the Lawrence campus. He was awarded a national scholarship to Harvard and put his knowledge to good use in two years. He received his B.A. in 1953 and published all his course work for his doctorate under such literary names as Howard Mumford Jones, B. J. Whiting, and Perry Miller.

Two years ago he went into the marines and served in the information department at the Kaneohe Bay marine air station, where the routine of sending out pictures and stories to hometown newspapers of Hawaiian-based marines was sparked up by covering visits of such diverse dignitaries as Dean Acheson, President-elect Dwight D. Eisenhower and Housing Secretary.

Brown was selected in a list of 50 "typical marines" for work as an extra in a recent movie, "Miss Radio," which was filmed on the island of Kauai.

ED Movie

His principal responsibilities were "dropping pins" in the background, walking down streets in the background, watching native dances and shaking fists at deteriorating buildings. But since the movie was made in 3-D, which has special effects, the movie scenes may have more appeal for those who like good looks at their screen personality when the movie scene of the location is shown.

In the course of 13 months, Brown became exposed to all sorts of local specialties. "I was surprised to find that you have to buy a lot of stuff with it," he announced, and he managed to manage his stay atop a surf board for six months.

Sadie Thompson," filmed on the island of Kauai, was left to send one delegate to the national survey. Miss Edith Lewis, Red Cross executive secretary, predicted that the film will be an extra in a recent movie, "Miss Radio," which was filmed on the island of Kauai.

He abstained from lessons in a wide margin! brand-new national survey shows college students prefer Luckies

Last year a survey was made in leading colleges throughout the country which showed that smokers in those colleges preferred Luckies to any other cigarette. This year another nation-wide survey was made—a representative survey of all students in regular colleges coast to coast. Based on thousands of actual student interviews—this survey shows that, as last year, Luckies lead again—lead over all other brands, regular or king-size—and by a wide margin! The reason: Luckies taste better.

P.S. Once again we're buying student jingles! $25.00 goes to every student whose Lucky Strike jingle is accepted for our advertising. So hurry! Send your jingles to Happy-Go-Lucky, P. O. Box 67, New York 46, N. Y.
Dum De Dum....

KAPPA DELTA

Dum de dum de dum! The D-Dayget theme echoed through the little theater in Pan Hel square Monday night as we held our first social meeting of the year.

The first act of the evening was given by the Phi Delta Theta quartet, who sang a medley of popular songs on the University theme. The Phi Deltas, who always do a good job, were well received by the audience.

The elementary chorus presented a skit entitled "The Lion and the Mouse," which was well received by the audience.

The conclusion of the evening was a scene from "Dragnet" in which the theme song of the popular television series was sung.

LAWRENCE COLLEGE AND INSTITUTE ARE MEETING HOSTS

Lawrence college and the Institute of Paper Chemistry are cooperating hosts for the organized meeting of the Midwest Conference of Liberal Arts during the week of the National Association of Teachers of Philosophy.

The conference will be held at the Institute on Wednesday, Oct. 7, in a ceremony conducted by thechair members.

The majority of the programs during the week will be held at the Institute, but at 11:30 on Thursday morning there will be an inspection of the new buildings at Lawrence college. Dean Marshall Hubert will talk to the group, which will tour the new rebuilt Science Hall, the University Office, and the Art center.

Lunch will be served at Benkaw hall at 12:30 tomorrow afternoon. Conference members and visitors will attend.

Also on the schedule for the conference meeting are arranged visits to the paper industries in the vicinity of Appleton. There is sufficient interest that a contact will be made with the local SCA chapter for a formal commitment of future meetings, which will be made.

Student Christian Association Holds Organizational Meeting

An organizational meeting of the Student Christian Association was held on Wednesday, Oct. 7, in a ceremony conducted by the chair members.

The meeting was attended by a large number of students, and the new officers were elected as follows:

President, Sharon Senturia; secretary, Carol Barden; treasurer, Pat Mel-"Itie, and vice president, Sue Whitmore.

The meeting was called to order by Mrs. Grace Trester, who welcomed the students to the Institute. She then introduced the new officers, who were elected by acclamation.

The meeting then adjourned.

Debate Squad Activities Begin

The debate squad under the direction of Dr. William Cathey already has begun its activities for the year. The debaters have begun preparing their material to support their positions on current events.

There will be eight debates in all. The students will be divided into seven companies, and each company will debate four times.

The arguments will be presented by the students and will include topics such as the role of the United States in world affairs, the importance of education, and the role of religion in society.

The debates will be held on Mondays at 7:30 p.m. in the new Pan Hel house.

Eight Members Initiated Into Mills Chapter of Air Society

Eight new members were formally initiated into the Lawrence chapter of the American Air Society on Wednesday, Oct. 7, in a ceremony conducted by the chair members.

Each candidate must meet certain requirements before he may be considered for membership. He must have maintained an average of 2.5 in Air Science, have a four-semester grade point must be over the all-college average, and he must be accepted by a vote of the present members.

The new members are Fred Bay, Dick Gust, Bruce Kaplan, Paul Klein, Jim Nillen, Stanley Riff, Richard Schram and Frank Sobol.

Lawrence ROTC Cadets Attend Summer Camp

Lawrence college AF ROTC cadets received their first impression of Air Force life this summer at Randolph Air Force base, Texas in a four week basic indoctrination period. This course is designed to acquaint the new cadets with all phases of an Air Force Base in actual operations.

Senior Cadets

Representing the college were the following senior cadets: Donald Zinn, Charles Sprich, George O'Brien, Eugene O'Brien, Byron Trachte, James Kapitzke and Howard Boor.

The Lawrence contingent, along with representatives from thirteen other colleges and universities, was presented with first hand information touching upon all activities concerned with the operation and maintenance of an Air Force base.

Divided Into Six Flights

The cadets, numbering two hundred and fifty-two, were divided into six flights, each of which was accompanied by a U.S. Air Force pilot. The air force pilots were in turn accompanied by an instructor who had been given instruction, by the cadets in the Reserve Officers' Training Program between their third and fourth year of college. He was designed to acquaint the future officers with all phases of an Air Force Base in actual operations.

Cadet of the Week Award

The cadets were judged and selected on the basis of outstanding achievement in the various strategic positions in the Reserve Officers' Training Program. The cadets witnessed twenty separate events in the course of actual air warfare. Featuring the program was precision flying maneuvers by F-80s, F-86s' cracking the sonic barrier, and a complete bombing run featuring the B-36.

Further honors for the Lawrence cadets resulted in the awarding of the outstanding flight exhibition for excellence in actual flight of the week which was composed primarily of men from Lawrence.

The social side of the week's events included picnics in both San Antonio and Austin. There were also social events at Randolph Air Force Base itself with the following honored guests: Don Zinn, Charles Sprich, Byron Trachte, James Kapitzke and Howard Boor.

Kohn to Speak At IRC Meeting

William F. Raney, professor of history, spoke on the history of the college at a program presented by the Student Government Association Saturday evening in the Terrace room of Memorial union.

The purpose of the meeting, according to Raney Erickson, temporary vice-president, is to promote cooperation in and to spread the knowledge of current international affairs.

In the Terrace room of Memorial union. The meeting will begin at 7:30 p.m.

The International Relations club was founded at Lawrence in 1934, with the assistance and encouragement of the Director of Education of the Carnegie Endowment for International Peace.

The faculty adviser for the group since the creation of 1959 has been William F. Raney, professor of history.

Vikes Cop 64 Points
Slaugntering Cornell

Carl Stumpf Scores
Three Touchdowns to Be High Point Man

Whiting field turned into something like a slaughter house last Saturday afternoon as the Vikes, scoring more than a point a minute, wallowed the Cornell Ram in by a score of 64 to 7. It was the Vikes third win in three conference starts. Earlier this year the Vikes beat a Minneapolis College, Minneapolis College, St. Olaf.

The Vikes scored two minutes after a Cornell fumble, when Carl Stumpf went over from the one yard line. After that there was no stopping the Vikes, for they raced to 54 points in first half play.

After the first half the game was just a mild affair with the Vikes scoring after each possession.

In the fourth quarter, it was Stum

Carnell who dominated the scoring with two touchdown runs. He plunged over from the one yard line and then ran over from more than 30 yards beyond the 15 yard line.

Statistically, the Vikes were ex- cellent. On the ground, the Vikes went for a total of 479 yards, they caught fifty-four passes to Cornell's sixty passes for 599 yards. The Vikes intercepted four Cornell passes, recovered three Cornell fumbles, scored 14 touchdowns, and made four conversion. Stumpf kicked three of the four, while Thompson kicked over one.

The Vikes really came through and showed the power they have.

After the half, the game was a very relaxed nature with the Vikes seemingly scoring whenever they felt like it.

It is interesting to note that the Vikes didn't throw many passes in order to keep the score down.

The Vikes only used three or four plays per over and over again, not really digging into their playbook.

Carl Stumpf was high point man of the day. The speedy half- back also from a Cornell fumble, and he even tried to kick Cornell goal line three times, but Thompson, who made one, and Whitman, who made one, and ran over an extra 50 yards. The first team scored 39 points, the reserves 25.

Largest Score in 50 Years

The score the Vikes kick up today was the highest score they have ever kicked in a half century. In 1802 Lawrence beat Stevens Point, 60 to 7. Last Saturday the Vikes ran 10 touch down scores, a very rare occurrence, was 1918 when the Mohawks again beat Stevens Point, 60 to 7. But that was 8 years ago.

It looked like just another foot- ball afternoon last Saturday as the Vikes took the field against the Cornell Rams. The Exes were down and Lawrence kicked off to them. The Rams ran the ball and Cornell got a first down that was as far as Cornell got, and before things would settle down Lawrence had scored with Stumpf, who runs with Starks, for a touchdown.

Two More Touchdowns

Before the first quarter ended Lawrence scored two more touch- downs. Carl Stumpf again logged the ball, this time around end for 25 yards and a score. Ed Groves pitched to Carl Stumpf and Stumpf died from a one yard plunge.

The second period was comparatively mild with only the only score coming as a result of a surprise package by Carl Stumpf and a run of 55 yards. Groves, who scored 24 points, against 30 for Cornell, then took the play, Cornell didn't even know what they were doing.

In the third period, Lawrence's right wing team they have played this 24 yards for a Vikes score. Stumpf had scored, their most Stumpf took the ball across the point.

Carl Stumpf

Gridiron Forecasts by Midwest Coaches

Coach Expects—Except One

The Lawrence football team was wallowing the Cornell Rams last Saturday, the Viking green country team beat the Cornell cross country team, but lost to the Marquette team in a triangle meet held on the Appleton Municipal golf course, the Rams beat both the Vikes 19-42, and the Vikes lost to Marquette 35-25.

The game started off on the right foot for the Vikes, who now have a conference record of three wins and no defeats, are favored, but not to one can predict what will happen when these two teams meet.

Lawrence soundly Ripon one of their toughest opponents last year, for they won by a slim 12-10 score.

The Vikes have defeated Grinnell 22-4, Carleton 26-0, and Cornell 64-7 in their last three games. Ripon edged Cornell 14-7 and has lost to Monmouth and Indiana State 20-20 for the third time.

Lawrence, who was picked for second place in the conference this year, will be starting the all sectional team consisting of Luckin and Canal. The entire team consists of a dozen returning starters at tackles, Harrison and Oettinger at fullback, and Prentin at center.

Monmouth will be at quarterback, Stiles at full, and Stumpf and Groves at the halfback positions. The Vikes suffered no serious injury in the series from last week's impressive 62-7 victory over Cornell.

Ripon, with a conference record of one loss and one win this year, is a fifth place favorite in the conference. They have a host of good sophomoph players and are in the process of a building year.

Last Friday the Betas soundly beat the Big Eq 20 to 0 out at the Whiting field. King pin of the Beta attack was Don Lemke, who tore the Lawrence freshmen team 40-7 last year and has been rumored that many Beta team line, is a five point favorite in the conference.

The Betas have a host of good sophomore players and are the process of a building year.

Betas, Phi Taus Lead Interfraternity Gridiron Race

Betas Theta Pi and Phi Kappa Psi will lead both places in the Intelligence Super Cup, both teams have won three games while losing none. Their closest rival is Delta Tau Delta, who have a record of 2 victories and 1 defeat.

Lawrence football team .

?Anything Can Happen' When Two Meet Tomorrow; Vikes Favor

The Lawrence Viking football team journeys to Ripon tomorrow to play their fourth consecutive conference game of the season. The Vikes, who have a conference record of three wins and no defeats, are favored, but not too can predict what will happen when these two teams meet.

Lawrence soundly Ripon one of their toughest opponents last year, for they won by a slim 12-10 score.

Dr. Cousins, Lecturer, Author
To Speak at Chapel October 24

Dr. Norman Cousins, world-famous lecturer, author and editor of the Saturday Review, will be a speaker at the Lawrence chapel on Saturday evening, Oct. 24. It was announced here today that the program, sponsored by the Appleton chapter of the United World Federation, is part of the election day observance. Dr. Cousins will speak on "What’s Wrong with the U. N." Lawrence students and faculty are invited to attend. There will be no admission charged.

Author of Seven Books
Cousins, author of seven books and for fourteen years editor of the Saturday Review, developed the first of the Film Classics series. The comedy will be shown at the Art center at 5:30 and 8 p.m. in the evening. The English film, has been chosen as the first of the Film Classics series. The comedy will be shown at the Art center at 5:30 and 8 p.m. in the evening.

Cousins is consultant to the magazine. The film has been compared to "Tight Little Island," which was shown at Lawrence last year, and for fourteen years editor of the Saturday Review. Among the teachers college at Columbia university in 1933 and received an LL. D. from American University in 1948.

The Literacy of Ideas
Born in Union, N. J. and at present a resident of Norwalk, Conn., Cousins has written many editorials on the subject for the Saturday Review. Among them are "Modern Man is Obsolete," "Don’t Resign from the Human Race," and "Confessions of a Universalist." He is widely recognized as an authority on international affairs.

In the spring of 1951, Cousins returned from a goodwill tour of India and Pakistan under the auspices of the U. S. government, during which he lectured some seventy-five times on America and his people.

On Three-Man Committee
In 1948, Dr. Cousins was a member of a three-man committee which went to Germany at the invitation of General Lucius Clay to report on progress towards democratization in the American zone.

His account of his tour of displaced persons’ camps was published under the title, "An Apology for Living." In 1946, he was with the Joint Task Force at Hamm.

In the singles matches that have been played this week and last, Sigma Phi Epsilon have only one man. In the doubles half of the tournament, Swank and Hart of Phi Delta Theta will meet Bill Rinehart and Sigma Phi Epsilon have only one man.

Norman Cousins
last week from a trip around the world, during which he visited France, England, Holland, Norway, Denmark, India and Japan. He is widely regarded as an authority on international affairs and has spoken to hundreds of American and overseas audiences on subjects similar to the one he will discuss here.

Written Many Editorials
Long interested in "making this planet not only safe for human habitation but fit for human habitation," Cousins has written many editorials on the subject for the Saturday Review, among them are "Modern Man is Obsolete," "Don’t Resign from the Human Race," and "Confessions of a Universalist."

In the spring of 1951, Cousins returned from a goodwill tour of India and Pakistan under the auspices of the U. S. government, during which he lectured some seventy-five times on America and his people.

On Three-Man Committee

Born in Union, N. J. and at present a resident of Norwalk, Conn., Cousins graduated from the Wesleyan university in 1933 and received an LL. D. from American University in 1948.

English Comedy
Cousins was an education writer for the New York Post, then became literary editor and managing editor of Current History magazine. Under Cousins the Saturday Review developed from a purely literary weekly into a journal dealing with ideas.

To Speak to Freshmen
Warren Beck, professor of English, will present a freshman study lecture at the conservatory of music on Monday, Oct. 19, at 8 p.m. Two books, "American Composition and Rhetoric" and "Henry David Thoreau’s "Walden," will be the basis of his talk on how to write good composition.

Fall Tennis
Play Begins
Interfraternity tennis got off to a bold start last week as the first matches of the fall season were played. In the singles, names of Delta Tau Delta; and Ziebel of Phi Delta Theta. The comedy will be shown at Lawrence last year, and for fourteen years editor of the Saturday Review. Among the teachers college at Columbia university in 1933 and received an LL. D. from American University in 1948.

The Literacy of Ideas
last week from a trip around the world, during which he visited France, England, Holland, Norway, Denmark, India and Japan. He is widely regarded as an authority on international affairs and has spoken to hundreds of American and overseas audiences on subjects similar to the one he will discuss here.

Written Many Editorials
Long interested in "making this planet not only safe for human habitation but fit for human habitation," Cousins has written many editorials on the subject for the Saturday Review, among them are "Modern Man is Obsolete," "Don’t Resign from the Human Race," and "Confessions of a Universalist."

In the spring of 1951, Cousins returned from a goodwill tour of India and Pakistan under the auspices of the U. S. government, during which he lectured some seventy-five times on America and his people.

On Three-Man Committee
In 1948, Dr. Cousins was a member of a three-man committee which went to Germany at the invitation of General Lucius Clay to report on progress towards democratization in the American zone.

His account of his tour of displaced persons’ camps was published under the title, "An Apology for Living." In 1946, he was with the Joint Task Force at Hamm.

Born in Union, N. J. and at present a resident of Norwalk, Conn., Cousins graduated from the Wesleyan university in 1933 and received an LL. D. from American University in 1948.

English Comedy
Cousins was an education writer for the New York Post, then became literary editor and managing editor of Current History magazine. Under Cousins the Saturday Review developed from a purely literary weekly into a journal dealing with ideas.

Warren Beck, professor of English, will present a freshman study lecture at the conservatory of music on Monday, Oct. 19, at 8 p.m. Two books, "American Composition and Rhetoric" and "Henry David Thoreau’s "Walden," will be the basis of his talk on how to write good composition.

SMOKERS BY THE THOUSANDS
NOW CHANGING TO CHESTERFIELD
the ONLY cigarette ever to give you...

1 PROOF
of LOW NICOTINE
HIGHEST QUALITY
The country’s six leading cigarette brands were analyzed—chemically—and Chesterfield was found low in nicotine—highest in quality.

2 A PROVEN RECORD
with smokers
Again and again, over a full year and a half, groups of Chesterfield smokers have been given thorough medical examinations ... the doctor’s reports are a matter of record. "No adverse effects to the voice, throat and sinuses from smoking Chesterfields." A responsible independent research laboratory supervises this continuing program.

last year’s edition of the Lawrentian. We repeat it here:

This year's freshmen are a part of the class of '57. Our interest is to help them pick up the pieces and see that the students of the class of '57 aren't the only ones who feel that life is a valuable experience. We hope that you will join us in our support of the class of '57.
