TV Set Ruling

Approved by Faculty Group

The faculty recently approved a recommendation, made by the Used Book Committee, when the students asked if television could be allowed in dormitories. Each set has been pointed and is to be used during the common hours, hence, no ruling was necessary.

Faculty ruling on the recommendation followed investigation of the televisions set up in the dormitories. Dean of Men, Charles Rence, wrote to Beloit college and Lake Forest college, asking if television would be allowed in dormitories and in the Union. An indoor antenna is adequate for reception of broadcasts from the Green Bay television station and free television sets can be obtained. If there is sufficient demand, something might be done so that one antenna could be erected to serve the fraternity houses.

All freshmen and sophomores are invited to attend.

"Stitch and Chat" Theme of Faculty, Freshman Tea

Many of Pirandello's works dealt with the intricacies of life as an author of "In Search of a Soul," and "Naked," and "Right You Are." This could be interpreted as the unconventional existence of the "same," and the illogical, emotional, and existential conditions of the human spirit. The great dramatist Edward G. Robinson was cast as Pirandello and Signora Frola was portrayed by Miss Mery Meary. The critics claimed it was a great performance by the actors involved.

Pirandello, in his "Right You Are," If You Think So," and his other works, based his theme on fiction as opposed to reality.

Vikings to Meet Siwashers for Homecoming Tilt Tomorrow

Knox Carries 1-6 Record but Has Shown Strength Against Carls, Oles

Phi Taus, Bettas, Delts Lead in Gridiron Race

Last week was the week for upset- ing, whether it be vastly or interfraternity, and games played in the latter league caused Phi Kappa Tau, Delta Theta Pi and Delta Tau Delta to all make the Homecoming weekend a success. The Phi Taus were able to try and give Lawrence its second defeat of the season, Knox has won only one game in six tries this season, but their record does not show their strength.

Against St. Olaf this year, the Siwashers lost 25 to 19. This means that Knox scored one more touchdown than Lawrence did against them, and also, that St. Olaf was held to one less touchdown than Lawrence could hold to them.

Carlston Easy Mark

Carlston was an easy mark for the Knox team. They beat the Carls 27 to 2, and Lawrence only beat the Carls 20 to 6. Once more against another common foe, the Siwashers have outscored Lawrence.

The Siwashers have a very effective "F" attack that is centered around their senior quarterback, Bev Bravon. Bravon played halfback for three years behind Knox's all conference back, Phil Angelo, and this year switched to quarterback.

Bravon has a fine passing record this year, and most of Knox's touchdowns have come as the result of a Bravon punt. Beavon was a threat of the Vikes all afternoon.

"Who's In Charge?"

The question that is annoying the Lawrence team this week is, "Who's in charge of the play?" Carl Stumpf's ankle injury seems to be responding rapidly, but this doesn't mean that he will be able to play full time Saturday.

Stumpf's replacement, Matt Thonebrun, is not in what you would call the pink of health. He is rather badly hurt and can hardly put weight on his right leg.

The frosh won the tug-o-war. The sophomores, in turn, won the ball and football team's contest held at Camp Randall stadium the afternoon of the homecoming game. Locklin at Left End Brings Up Roar From Vike, Badger Fields

When Saturday afternoon loud- speakers announce "Locklin at the left end" a roar of approval goes up on two campus stands that fall. At Camp Randall stadium the Vike defensive tackle in far back, Ed Grosse, is Lawrence's star player. He is a 6-3, 220-pound player, and he has been foretold for many years. He is the mastermind of the defense, and he is the key to the team. He is the type of running back that gives scrimmage lines a hard time. He is the defensive mastermind, by a considerable margin.
