Lawrence Welcomes 17 New Members to Teaching Staff

Appointments Represent MIT, Oxford, Sorbonne Backgrounds

Seventeen additions to the Lawrence college faculty have been announced by President Douglas M. Knight for the coming year.

Women's associate council held its first meeting of the year Tuesday evening to discuss the new rules governing the women's association. The council decided to make the following changes: changing the name of the council to "Women's Association," adding new officers, and eliminating the position of "secretary." The council also voted to hold meetings every other week instead of weekly, and to have a "guest speaker" every two weeks.

Students have been working hard to prepare for the upcoming semester, and have been busy with various activities and events. The fall semester officially begins on Monday, September 1st, with classes starting on Tuesday.

Harriers Run to Loop Meet.Despite Polio Delay

Graduation day was a double headache for Lawrence Cross country team this fall. They have lost 2 points to their graduation day and 3 points at Penn State.

Hagen, a member of the Lawrence Varsity, was the runner up to beat this year. He has reached second in the conference meet for the last two years, and the team has been gradually improving.

The rebuilding situation is complicated further by the completion of the new track in the opening of the school year.

Hagen will be assisted by senior Mike Simon and junior Charles McNaughton on the track.

Other educators' children in the Lawrence football team are: Larry Brown, whose father is president of the Lawrence College; Bill Littauer, whose father is a professor of English; and John P. Fry, whose father is an English teacher.

The All-American football team for the season is: quarterback, Bill Hagen; fullback, Mike Simon; halfback, Charles McNaughton; tackle, Bill Littauer; guard, John P. Fry; and center, Bill Hagen.

SCA Changes Vesper Service Policy

At its last meeting, the Students Christian Association voted to change the Vesper Service policy. The new policy is as follows:

- The Vesper Service will be held on Wednesday, Thursday, and Friday at 7:45 p.m. in the Sanctuary of the Presbyterian Church.
- The service will be open to all students and faculty.
- The service will feature music from the Vesper Choir and the Lawrence College Band.
- The service will include a 15-minute homily and a 15-minute prayer.
- The service will be followed by a 15-minute discussion on a religious topic.
- The service will be open to all students and faculty.

IWA to Meet

Lawrence Women's Association council will hold its first meeting of the year Tuesday evening to discuss the new rules governing the women's association. The council decided to make the following changes: changing the name of the council to "Women's Association," adding new officers, and eliminating the position of "secretary." The council also voted to hold meetings every other week instead of weekly, and to have a "guest speaker" every two weeks.

Principal dates in the new school year are:

- September 1 - Start of school
- September 4 - Labor Day
- September 15 - Mid-term exams
- October 30 - Halloween
- November 15 - Thanksgiving
- December 21 - Christmas break
- January 5 - Return to school
- February 14 - Valentine's Day
- March 1 - St. Patrick's Day
- April 1 - April Fool's Day
- May 1 - May Day
- June 21 - Summer solstice
- July 4 - Independence Day
- August 21 - Labor Day

bright experience in foreign rela-
tions. For three years he was on the Board of Economic War-
fare, and subsequently the For-
ign Economic Administration in Washington, D.C. For a year he was senior economic analyst at the American Embassy in London, and in 1951-52 he was a special fellow with the Bel-
gium American Foundation in Brussels, and with the In-
stitute for Refief-in-Belgium. He has taught at Fassgall college in Idaho, and the University of California.

Curtis Brungin, instructor in history, as a graduate stu-
dent at Harvard university was a tutor in the modern European section. All three of his degrees are from Harvard, he was a member of the faculty in Mexico, and is now a candidate for the Ph.D. in history at Harvard.

Leonard W. Vin has received his geological training at Harvard university, Massachusetts Institute of Technology, and is now a candidate for the Ph.D. at the University of Min-
nesota State College, and in 1951-52 he was special fellow with the Mino-so-nia Geological Survey.

Changes in the administrative organization of the college have been occasioned by the resignation of Thomas H. B. Weis has receiv-
ted his geological training at the University of Michigan, and is now a candidate for the Ph.D. at the University of Min-
nesota.

Wayne B. With has received his training in New York City, and is now a candidate for the Ph.D.

Vike Gridders Open 1955 Season With Grinnell Here

Civil Service Stations Broadening of the Exams

Coach Bernie Heselton's grid­ ders begin the 1955 season with the usual "leagues" schedule against Grinnell college's fifth-place Pioneers tomorrow afternoon at Wabialick Island. Despite Lawrence's recent withdrawal from league competition, the Vikes will be hard hit by the absence of senior tackle Paul Bieker, a first teamer on the All-Big Ten team last year.

Coach Heselton will call on the services of the Pioneers' line-up, with senior tackle Max Galler, halfback Bob Kraus*), and co-captain John Wiman, head basketball and tennis, and line coach. The Grinnells' backfield will consist of senior tackle George Walter, a former All-Midwest performer, and a junior, Gary Hayes, a three-touchdown favorite. In the words of Buena Vista's Athletic Director "our team has the 1955 season, the Vikes' superior power and great time is 1:30."

Frosty Sprowl Resigns As Vike Coach

Forrest "Frosty" Sprowl, head basketball coach since 1945, has resigned during the summer to accept a position in the sales department of the Fox River Paper company.

Sprowl had been at Lawrence since 1931 and was an assistant professor in the physical education department in addition to being head coach of basketball and tennis, and line coach in football.

His basketball teams have ended in the first division of the Midwest conference every year but one for 13 years and has had an outstanding record in tennis: two conference titles, 15 and 34, and runner up spot in '53 and third place in '52.

Frosty has his bachelor and master's degrees in physical education from Purdue university, and coached at Olney, Ill., and Monticello, Ind., high schools before coming to Lawrence. As a Purdue Bullrheiner, Frosty concentrated on basketball, and was "most valuable" during his junior and senior years. In his final season he placed the All-Big Ten honorary basketball five and was mentioned on several American quintets. He finished the 1942 cage season with the elegant Bruins before entering the navy, where he played on the Heselton's famed Great Lakes basketball team during the last year of a 41 month stretch in the navy.

Frosty's resignation with the college terminated Sept. 1.

education or so

As a child I was told to prune my sentences so that no one could mistake my thought even in one or two words (or so). And so a trimmer of word trees I grew to be (or so I thought a bit concoctedly) without ands, buts, ifs, or so forth. my sentences became my way "one or two words" (or so) are not fashionable now.

At ALL! Anyway to the other side I flow the scale tipped on each sentence consumes a page (or so) literally sprinkled with ands, buts, ifs, and or so. I've reached the top branch of literary excellence (or so I'm told by they who know how) and say nothing in a few well chosen words—

Greti Reinharz

Lawrentian Staffs to Meet Today, Monday

Helen Cooper, editor-in-chief of the Lawrentian and Kay Bayer, business manager, will meet with their staffs to start work on next week's eight-page issue. Members of the editorial staff (reporters, sports and feature writers, typists, copyreaders and headline writers) will assemble at 12:30 today in the Lawrentian office in Main Hall. Business staff members will meet at 12:30 Monday in the Lawrentian office. Meetings for students interested in becoming members on either staff will be announced soon.

Columbians Wanted

Published on a weekly basis, a weekly column for the Columbian is looking for help. Interested students should turn in a sample of their literary efforts to the Lawrentian office. There are vast columns of empty space waiting to be filled with sage, or satisfying, or sardonic thoughts and they might as well be yours. As the recruiting posters say, "We need you!"

Why do more college men and women smoke Viceroy than any other filter cigarette?

Because only Viceroy gives you 20,000 filter traps in every filter tip, made from a pure natural substance found in delicious fruits and other edibles!

1. Yes only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.

2. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.

3. Smokers no measure report that blended Viceroy have a finer flavor even than cigarettes without filters. Richly satisfying, yet pleasantly mild.

4. Viceroy draws so easily that you wouldn't know, without looking, that it ever had a filter tip... and Viceroy cost only a penny or two more than cigarettes without filter!

That's why more college men and women smoke VICE ROYS than any other filter cigarette... that's why VICE ROY is the largest-selling filter cigarette in the world!
