Landau Expresses Great Humanism in Play

BY DAVID HOFFMAN

Julius Landau’s play, "The Sorrows of Chester Avenue," is not in the classic Holly-wood or television tradition. Mr. Landau is not concerned with telling a story as he is in creating a vivid and living awareness of a tragic and yet humorous human experience.

The play presents the contrast between the world as it is and the world as it could be. It is the contrast between the worthlessness and triviality of ordinary life and the aspirations for a more ideal life, a life closer to God, that adds a depth and a sense of pity to Mr. Landau’s play. It is both a dramatization and a criticism of life.

Vikes Win Over Redmen
In Last Game of Season

Athlete of the Week

Rolf Dehmel

The Phi Tau swummed the Sig Eps in a 2-1 upset. The Sig Eps fell in the 200 yd. individual medley, a new event. Rolf set the new mark of 2:33.8 as the Vikes took third place in the 200 yd. backstroke, thus taking all 8 of Lawrence's points in the meet. Rolf also dropped two events to further the Vike team that could do nothing about it.

Ripon Licks Frosh

Ripon took a 74-65 licking all full time college students. The game with Ripon Tuesday afternoon was a well-contested battle. The Redmen were blunted by a Vike team that could not rise to the occasion. Frank Cole was a giant under the backboards, the Vike defense strangled Ripon scoring attempts, and Cole, Cole, Manthy, Gabagan, and Segren took it from everywhere. The score read Lawrence 30, Ripon 15, when 9:04 was called on the clock.

After this display, the Vikes went on to defeat the Sig Eps 42-78 and followed the Redmen to get back at the game. Cashing in on 12 of 14 charity shots, Ripon closed out to 69-37 at halftime.

Ripon started the half breathing fire and quickly eliminated the Vike margin. The Redmen got to within one point, 22-21, before two late free throws could not bucket another basket. Lawrence was in the lead, however, and hung onto the lead. The score was 31-22 at the half.

In the next six minutes the PHI Delts played the Delts in their battle for third place. If the Betas beat the Delts, they got a tie for second place with the PHI Delts. In the PHI Delts, they beat the Betas, 61-52. Last Saturday's games were postponed until Wednesday because of the Arnold Air Society trip to Denver.

Congratulations to the Lawrence college basketball team which did such a splendid job last Tuesday. Mike Gahagen and Bob Negroa signed excellent ball in their final apperance at the Alexander Gym.

Dick Roe, who dropped in 12 points on Tuesday, secured his place as the thirteenth man in conference scoring with a 13 point per game. Neil Buck netted ten to attain the fifteenth.

The winter sports season at Lawrence concluded with the successful conclusion of a record on last weekend. Although Rogers and MRC are favored, Lawrence poses a serious threat.

Bill Swearingen and Tom Klingel will run the 50 yard dash. Klingel will also high jump and broad jump. Neil Buck, fresh from the basketball wars, will seek the high jump laurels.

Dick Bunker will run the hurdles, while John Wimer, Frank Cole, and Bob Mayer throw the shot put. Fisher, Jones, Merry and Hagen will compete in the mile and distance medley relays.

Klingel, Swearingen, Bunker and Mike Simonet will compose the sprint medley relay. The mile relay, as yet unwon, will determine, will probably run on some combination of the boys named above.

Dehmel Sets New Conference Record in 200 Yard Medley

Rolf Dehmel capped a highly successful weekend by setting a midwest conference record in the 200 yard individual medley last Saturday at Cornell college in Mount Vernon, Ia. His 2:35.8 clocking for the distance put him an arm's length ahead of his nearest competitor.

"Goose" also capped a third in the 200 yard back stroke. In this race, Cook, a Carleton sophomore, deformed the defending champion from Cornell.

Peter Doehl competed in the 50 and 100 yard free style events. His time for the 50 was his best effort this year. Tom Sprackling swam the distance races for the Vikings.

Besides Dehmel's record, Bob Richter of Mennomoose set a new standard of 2:40.7 in the 200 yard breast stroke and Joel Stubbs of Grinnell splashed to a 2:26.6 in the 50 yard free style.

Phil Mayberry of Cornell were the only double winners.

The combined efforts of Bob Haffey and Dehmel produced 40 points for the Vikings in the recent telegraphic freshman meet. Haffey tied for second place and 33 points in the 220 yard free style.

Bjornson capped a third, a fourth, and a fifth, good for the other six points. He placed in the 50 yard free style, 100 yard free style, and 200 yard back stroke.

Protesting of Knox set new freshman meet records in the 50 and 100 yard free style distances. Crocken of Grinnell cracked the former record in the 200 yard breast stroke and Laurens of Cornell shattered the old standard in the 440 yard free style.

Knoxe's free style relay also bettered the existing record.

power or responsibility?

Now that the election results have been announced, it should no longer matter whether your candidate was victorious or not. Instead, our concern should be the formation of a unified student body and the president-elect in his efforts to carry out his duties and our wishes to the best of our mutual ability.

Both candidates made excellent proposals in their respective platforms, and regardless of the election results, some features of both platforms could and should be incorporated in the SEC program for the ensuing term. The individual platforms were not as strong as would be a program derived from a careful selection of desirable features from both candidates' proposals.

For example, Debhel's goal to raise the spirit and unity of the student body can be accomplished successfully if he utilizes May's suggestion, to start from the bottom up with the structure and organization of SEC itself.

The central issue, however, lies within the realm of attitude. If all we desire is a powerful SEC, then all of our efforts will be in vain, for power in itself is no criterion for accomplishment. A responsible student body and SEC should be the goal.

Responsibility, too, denotes power, but it is power that is channeled in a positive and constructive direction. It is an evolutionary process rather than a revolutionary process. To be responsible means that our program will be based upon rational, co-operative operating principles which promote harmony between the administration, faculty, and students.

Responsibility means that we, as students, must be willing to give and to take, to compromise, to sacrifice, and to work, as a united body, for our desired ends.

Which will we select: power or responsibility?

To choose the former would not hinder, if not actually cause regression in our SEC policies. Devotion to the latter is the only feasible choice that will assure us of a more responsible SEC, one whose success would be our pride.
